

BioLite HeadLamp 330

From \$84.90

Available colours:

Ember Red | Ocean Teal

Details

Trust us when we say that you've never met a headtorch like the BioLite HeadLamp 330 - it sits flush on your forehead with an impeccable fit, is super comfortable, rechargeable, and snazzy looking. Weighing just 69g, with a maximum output of 330 lumens - the HeadLamp is light, yet bright. You can kiss disposable batteries goodbye, as this unit can be recharged via micro USB providing 40 hours of runtime on low and 3.5 hours on high when charged. Just tilt the front panel for better visibility, and switch to red vision, spot, strobe or flood settings according to the conditions. It's got a front profile of only 9mm, and it sits flat on your forehead without slipping thanks to the super comfy moisture wicking fabric band. The HeadLamp 330 from Biolite is the next-gen headlamp that will make lighting your way in the dark a breeze. Weighs only 69g Sits flush on your forehead Front profile of only 9mm Moisture wicking fabric keeps you cool and dry Rechargeable battery Maximum output of 330 lumens Front panel tilts down for better visibility Provides 40 hours of runtime on low and 3.5 hours on high Recharge via micro USB
