Details

For extra roominess, comfort and reliability for your touring adventures, rest your head every night in the Dual Swag 1100mm from 23ZERO. This larger sized model is made from 400gsm proofed polycotton canvas, with strong alloy anodised dome poles, and super-fine mesh - so this swag is made to withstand rugged Australian conditions. The HF welded PVC bucket floor delivers protection from the ground up, the 70mm hi-density thick foam mattress with a protective cover keeps you comfortable as you snooze, and the internal pockets make it easy to keep your essentials close. When the weather isn't ideal, the full zip down storm covers and all-weather awnings enable versatile protection, and on warmer nights the mesh end windows provide air flow. The star gazing design allows you to fall asleep to starry view, while the two-way entry makes this design user-friendly. When it's time to hit the road, the 23ZERO Dual Swag also comes with a spacious carry bag with handles included for your convenience. 400gsm tightly woven proofed polycotton canvas for durability Fully seam sealed for protection 70mm comfortable hi-density foam mattress with cover 9.5mm diameter T6 anodised alloy dome poles Full length super fine insect mesh HF welded PVC bucket floor Zippered windows on each end for ventilation Convenient 2-way entry Four handy storage pockets Full zip down storm covers and two all-weather awnings Roomy carry bag and peg bag included Alloy trigger locking adjustable ridge pole included
