

23Zero  
**Dakota 1400 Rooftop Tent**  
~~\$1,199.95~~ **\$1,149.90**

## Details

Make setting your sleeping quarters a no-brainer every night on the road, with the Dakota 1400 from 23ZERO. This tent is made from a durable 280 gsm polycotton tear check canvas, with fine PVC coated insect mesh, a round alloy telescopic ladder, and a 25mm heavy duty alloy sheath covered aluminium internal frame which pivots on a stainless-steel yoke - so it's made to be sturdy. You'll sleep like a baby on the 65mm open cell mattress in this RTT, which also has a polycotton mattress cover to help keep it clean. The zip-down sky roof allows you to view the night sky, the full-width side windows and side vents provide plenty of airflow, and the 210D poly ripstop fly helps to prevent condensation. When it's time to hit the road, this rooftop tent packs away into a 600gsm PVC transit cover with D ring compression straps. Enjoy a simple and comfortable shelter on your vehicle with the Dakota 1400 from 23ZERO. Full zip down sky roof and full-width side windows 280 gsm polycotton tear check canvas 65mm open cell mattress with polycotton mattress cover Fine PVC coated polyester insect mesh Adjustable 210D poly ripstop fly 2300mm round alloy telescopic ladder 25mm heavy duty alloy sheath covered aluminium internal frame 600gsm PVC transit cover with D ring compression straps Includes fitting kit, guy ropes, window stays and instructions Fits most roof racks
