### Details

For extra roominess while you snooze with the convenience of a roof top tent design, the Dakota 1600 from 23ZERO is the no-brainer choice. You'll be drifting off to sleep in no time on the 65mm open cell mattress, which features a polycotton mattress cover which helps keep it clean. For views of the stars, zip down the sky roof, and for ventilation, there are full width side windows and side vents. Constructed from 280 gsm polycotton tear check canvas, with fine PVC coated insect mesh, and a 25mm heavy duty alloy sheath covered aluminium internal frame which pivots on a stainless-steel yoke - this tent is made from quality components. The adjustable 210D poly ripstop fly helps prevent condensation and keeps air flowing, and when you're ready to head to your next destination, this rooftop tent packs away into a 600gsm PVC transit cover with D ring compression straps. Set up the spacious and convenient Dakota 1600 from 23ZERO on your vehicle, for reliable shelter when you're on tour.
