### Details

Take it easy under some shade when you're camping, watching sport, relaxing at the beach or enjoying a picnic lunch with a Falcon 270 Awning from 23ZERO on your vehicle.

This awning can be mounted on dual cabs, and general canopy and wagon arrangements. It's constructed from a hard-wearing, proofed 280gsm polycotton tear check canvas which has a 1500mm polyurethane coating to make it abrasion, UV and mould resistant. It also features aluminium box extrusion rafters with cast alloy hinges which make it lightweight weighing under 19kg. It can be set up with one person in 60 seconds as it has a freestanding design, and this awning has integrated swing down pivoting telescopic legs for easy set up and pack down.

You can also purchase two separately available side walls which will enclose the awning for extra wind protection and shelter. You'll always have reliable shelter for your spontaneous day trips, or longer adventures with the Falcon 270 Awning from 23ZERO.
