

Haigh Fuel Safe HD Black Jerry Can 20L

\$44.90

Details

Made for heavy-duty use, you can reliably carry fuel in the Haigh 20L Jerry Can on a rural expedition without any dramas. This fuel safe jerry can is constructed from a high-density polyethylene plastic, which has high UV protection and is made in Australia, to Australian standards. Lightweight yet strong, this can also have a flexible screw on pouring spout, an anti-glug nozzle to prevent any spills and is certified by SAI Global (5 ticks). The Haigh 20L Jerry Can is the solid choice for safely carrying around fuel around on your expeditions. Lightweight but strong High UV protection Made in Australia to Australian standards Certified by SAI Global - 5 ticks Flexible screw on pouring spout Anti-glug nozzle to prevent spillage
