### Details

Lightweight, functional and touchscreen compatible - the Lightweight Screenshot Gloves from Black Diamond are the smart choice for everyday or outdoor use. These gloves are made from a light Polartec power stretch fleece shell, but they have a UJR powered material on the palm and fingers so you can use your devices without taking your gloves off and exposing your hands to the cold. Whether you're hiking, running or commuting in a cold climate, the Lightweight Screenshot Gloves from Black Diamond will keep your mitts warm. Lightweight Screenshot gloves Stretchy lightweight Polartec Power Stretch fleece shell Palm has a UJR powered material on palm and fingers for screen use Ideal for hiking, running or commuting in cold weather
