### Details

For those who are searching for minimalist warmth and protection for cold weather activities, look no further than the Lightweight Fleece Gloves from Black Diamond. These gloves are constructed from soft and breathable Polartec microfleece, which is also quick drying so they're perfect for use in a cold climate. The thumb and index fingers on the gloves have digital material on them, which means you can use them with touch screen devices. Whether you wear them on their own, or as a liner, the Lightweight Fleece Gloves from Black Diamond offers functional warmth out in the field. Minimalist warmth and protection Can be worn as an extra layer beneath a shell Soft, breathable and quick-drying Polartec microfleece Digital material on the thumbs and index fingers for touchscreen functionality Functional and lightweight
