Details

Let me introduce you to the Supercross. It's Salomon's comfy all-terrain running shoe with 'grunt'. Brainiac designers have come up with a one-stop all-purpose trail running shoe which features an aggressive grip, comfy cushioning and stability. This runner features a Contagrip TD sole with chevron lugs which are durable and adhesive - so you'll be able to grip in soft and muddy terrains, which saves any embarrassing tumbles. It's also got an OrthoLite sock liner, a high-performance anti-shock EVA midsole, a snugly foot cradle with a one-pull Quicklace system for added stability and, last but not least, a protective toecap. You never know when that might come in handy. Made from tough ripstop fabric, the Supercross from Salomon has got you covered. Ideal for: all-terrain training running Tough ripstop fabric Contagrip TD sole for soft and muddy conditions Chevron Lug pattern designed for durability and adhesion Sensifit with Quicklace Protective toe cap Precise foothold Energy Cell midsole with lightweight cushioning and stability
