Details

If you've busted your Quicklace system on your favourite Salomon trail runners or ski boots, no worries, we got a replacement kit just in time for your next big dirty or snowy adventure.

This patented Quicklace system is compatible with Salomon Footwear and also Nordic ski boots. If you are always in a rush, well you are in luck, the Quicklace system enables, speedy, easy adjustment of the laces on the go. They will never untie or have loose ends again unless of course, you break them in an avalanche!

The Quicklace Kit from Salomon is a handy addition to your shoe or ski boot repair kit.
