Details

Be able to pack your clothes, laptop and important documents into one convenient pack with the Carry On Pro 36 from Deuter. It opens up full just like a suitcase to reveal two compartments, with one mesh compartment to store clothes. This design features a contact back system, which can be adjusted, with a flexible X frame and ergonomic hip fins to transfer the weight of your load for your comfort. Stow your laptop or tablet in the padded compartment, and keep smaller items easier to access in the zipped front pocket or organiser compartment. Pick it up by the two padded grab handles, or carry it by the shoulder straps which can be stowed away to prevent damage in transit. This pack also has a pass-through sleeve at the back to thread on your luggage handle to keep everything together, a removable bag for your shoes or dirty laundry, and a document compartment to prevent important papers creasing. Whether you're jumping on a plane for work or a holiday, the Carry On Pro 36 from Deuter is the versatile pack to carry your gear designed specifically for travelling. Contact back system with an adjustable flexible X frame Ergonomic hip fins transfer the weight of your pack efficiently Shoulder straps that can be stowed for transit Two compartments, with one mesh one for your clothes Padded compartment for laptop or tablet Organiser compartment and zipped front pocket Two padded grab handles Pass-through sleeve at back for threading through luggage handle Document compartment Removable shoe/laundry bag for organisation Internal compression straps for clothing
