**From \$204.90**

**Available colours:**

Black | Midnight Navy

### Details

Designed with dimensions that make it suitable for use as carry-on luggage, the nifty AViANT Carry On 28 from Deuter is here to make packing for travel an absolute breeze. This pack features a contact back system, which can be adjusted, with a flexible X frame and ergonomic hip fins to transfer the weight of your load to keep you comfy. The Carry On opens up like a suitcase to show two compartments for your gear, with one mesh compartment for clothes. You can stow your laptop or tablet in the padded compartment, and keep smaller items accessible in the organiser compartment or zipped front pocket. This pack also features two padded grab handles and shoulder straps for easy carrying that can be conveniently stowed away for transit. Pack your essentials into the AViANT Carry On 28 from Deuter and you'll be all set to jet set. Carry on dimensions and opens up like a suitcase Contact back system with an adjustable flexible X frame Ergonomic hip fins transfer the weight of your pack efficiently Shoulder straps that can be stowed for transit Two compartments, with one mesh one for your clothes Padded compartment for laptop or tablet Organiser compartment Zipped front pocket Two padded grab handles
