

## Zempire Jetset 5 Inflatable Air Tent

**\$518.35**

### Details

The Jetset 5 from Zempire is the easy choice when it comes to luxury accommodation at the campsite, thanks to its modern and reliable inflatable pole design. The single inflation point and included pump makes the air pole frame quick to inflate in just minutes, so it's perfect for those looking for a portable design that doesn't compromise on space. You'll be well protected from the elements as this tent has a fly made from fabric that's torrential rain tested, UV treated, PU tape seam-sealed and has a huge 5000mm waterhead rating. On a clear warm evening, you can also unclip the fly and sleep under the full mesh roof for a great view of the night sky. You can set up the gullwing door as an awning for protection from the weather, and keep gear nearby in the internally accessible rear storage while the brow poles add extra stability in windy conditions. Enjoy portable and easy to set up shelter on your outdoor expeditions with the Jetset 5 Tent from Zempire. Single point inflation allows for quick and easy setup Inflatable AirStream tubes, fibreglass 9.5mm Internally accessible rear storage Fly can be unclipped for stargazing through full mesh roof Gullwing door can be set up as an awning Torrential rain tested, tape seam-sealed, fire retardant, UV treated fly Brow poles for stability in the wind Double Action Pump included for inflation
