### Details

Give your derriere a break from perching perilously on a rock on lightweight trips with the Chair 1 from Helinox. This chair is made from premium materials, with a frame constructed from advanced TH72M alloy by DAC for lightweight strength, high strength nylon hubs and premium seat fabric with durable stitching. The frame is linked with elastic shock cord so that it assembles itself, and it's designed to flex slightly so that it moulds comfortably to your body. Packing down to just 35cm in length, with a carry bag with loops that attach to the frame for safekeeping or to a backpack for easy carrying - this chair is designed for compact convenience. Whether you're hitting the road on your motorcycle, adventuring up the river or hiking on the trail, you can rest comfortably with the original and award-winning Chair One from Helinox. Packed length of just 35cm High strength nylon hubs Strong and durable stitching Elastic shock cord links the frame sections for easy assembly Frame is designed to flex slightly for comfort Carry bag can be attached to frame for storage Loops on the carry bag for attachment to your gear
