

Brillar
Remote Control Light Bars 2
Pk

\$24.95

Details

Perfect for setting up in the dark nooks and crannies of your garage, house or caravan the Remote Control Light Bars from Brillar make illuminating non-powered areas simple. These two light bars can be controlled manually or by using the included remote and feature two lighting modes for different applications. To mount the lights, just peel off the adhesive on the back and stick it to a clean, non-porous surface. These lights are also powered by six AAA batteries, which come included. It's a breeze to add controllable brightness to your set up with the Remote Control Light Bars from Brillar. Control via the remote and on/off switch or lights 6 x AAA batteries included Peel and stick adhesive on the back for easy attachment Can be installed on a clean non-porous surface No tools or electrician required
