

Brillar Remote Control Multifunction Puck Lights 2 Pk

\$24.95

Details

When you need to illuminate a non-powered area, the Remote Control Multifunction Puck Lights from Brillar will get the job done. These pucks provide 150 lumens thanks to the COB lighting technology, feature two lighting modes for different applications and can be used with a 30-minute timer that's accessed via the included remote. To mount the lights, just peel off the adhesive on the back and attach it. They also mount magnetically to most smooth metal surfaces - so there are no tools needed. Powered by the eight AAA batteries included, it's easy to add controllable brightness to your set up with the Remote Control Multifunction Puck Lights from Brillar. 150 lumens 2 brightness modes Peel and stick adhesive on the back for easy attachment Light mounts magnetically to most smooth surfaces COB lighting technology Control via the remote or on/off switch or lights 30-minute timer accessible via the remote 8 x AAA batteries included
