Details

You'll be stylish, snug and feeling pretty smug with a pair of the Shellista II Roll-Down Boots from The North Face keeping you warm in wintry conditions. These boots are constructed from waterproof leather to keep you dry, with a soft fleece collar lining and tongue detail for extra cosiness. They also feature 200g of PrimaLoft insulation to keep your feet toasty and have a sole made from durable TNF Winter Grip rubber, with temperature-sensitive rubber lugs that give you better traction when you're walking across cold surfaces. Keep them rolled up when it's extra cold, or roll them down for an extra touch of pizzazz on a chilly day. Enjoy extra warmth and style on a freezing cold day with the Shellista II Roll-Down Boots from The North Face. Ideal for: casual wear and cold weather Upper is made from waterproof leather Soft fleece collar lining and tongue detail 200g PrimaLoft Insulation Durable TNF winter grip rubber outsole IcePick temperature-sensitive lugs for traction
