Details

Adventure with confidence in wet environments with the protective yet water suitable Choprock Women's Shandal from Merrell. These shoes are made from a synthetic, mesh and webbing and feature a rubber toe bumper for protection. To get a secure fit on your feet, they have integrated webbing loops and for security, they have a Hyperlock moulded TPU heel counter. The interior has a removable contoured EVA insole for cushioning with a water-friendly top cover, a compression moulded EVA midsole for comfort and midsole channels and ports for water drainage. These shandals also have a durable Vibram rubber outsole for high-performance stability and slip-resistance on tough and wet terrain. The Choprock Women's shoe/sandal hybrid from Merrell will give you the features you need to comfortably enjoy a day out on the water. Quick-drying materials
Excellent grip on wet terrain
Oversized protective toe bumper
Channels in midsole assist with water drainage and ventilation
Ideal for kayaking, boating and general water activities
