### Details

This is the most versatile gas hose a camper can keep in their caravan or camper trailer.

The male bayonet fitting attaches directly to the regulated female bayonet outlet of a caravan, and whilst the other end of the hose features a 1/4" BSP fitting that is ideal for cast iron ring burners, the hose comes with a 1/4" BSP to 3/8" SAE adapter that allows it to also be used with appliances with a 3/8" SAE fitting such as wok burners and RV grills.
