Details

Easy to set up, with maximised internal space and a flexible layout - the Sundowner 6 Person Tent from OZtrail is perfect for compact campsites. This tent features two rooms so you can use them as bedrooms, screen rooms or living rooms in whichever combination suits you. The ultra-fine No-See-Um mesh panels on the polyester inner provide ventilation, while the portico pole system creates near vertical walls to increase the space. This tent also features oversized D-shaped doors for easy access, and a heavy-duty PE bucket floor with elevated seams to keep you dry from the ground up. To protect against the sun and rain, this tent features a silver-coated fly and a UVtex treatment and there are awnings on the front, rear and sides for more shade around the tent. Brighten up your tent by hanging your lantern on the light attachment loop, run appliances through the power access zip and keep essentials out of harm's way in the two sidewall organiser pockets. When space is a premium, the Sundowner Dome Tent from OZtrail provides you with more internal comfort for your camping adventures. Two-room dome tent Portico Poles create near-vertical walls to maximise space Polyester inner with No-See-Um mesh for ventilation and insect protection Heavy-duty bucket-style PE floor Easy step D-doors prevent tripping Silver coated UVTex® fly provides sun and water protection Factory heat taped seams to prevent leaks Central lantern hook and light attachment 2 side wall organiser pockets and power cord access zip Large front, side and rear awnings (awning poles not included) Pegs, guy ropes and 150D carry bag included
