Family 4 Plus Dome Tent

\$249.90

Details

Offering more internal living space than its smaller 4 person cousin, the OZtrail Family 4 Plus Dome can accommodate up to 6 people but easily sleeps four people with interior space for storage. It's an excellent occasional tent for a family of four.

The Portico halo pole system creates near-vertical sides, is a breeze to set up and provides excellent stability. Doors feature to the front and rear for easy and convenient access for all occupants whilst the front door or windows of the Family 4 Plus Dome can be extended as an awning with the included poles for extra shade.

Mith mesh panels throughout the inner and large windows and storm covers in the flysheet allow for ample ventilation. The Family Dome 4 Plus from OZtrail is an excellent family tent without a hefty price tag.
