Details

Your wine will taste better surrounded by fresh air and nice scenery, which is why the Double Insulated Wine Tumbler from Avanti is a must for your outdoor adventures. This wine tumbler is BPA-free with a high-quality stainless-steel design that uses isothermic insulated double-wall technology to keep your beverage hot or cold for longer while preventing condensation from building up on the outside. The stemless design saves space in your outdoor kit, while the transparent lid with a silicone lid closes off the top. Whether you're kicking back on the deck, or out at the campsite - the Double Insulated Wine Tumbler from Avanti will have you enjoying a chilled glass of vino wherever you are.
