Details

Ultrarunning isn't for the faint-hearted, which is why you need comfort, support and grip for long distances in the form of the Ultra Pro Men's Shoes from Salomon. The synthetic textile upper is stitch-free for a smooth glove-like fit, with 3D mesh for maximum breathability, and a quicklace system to make them easy to put on and get off. It also features Sensifit technology which cradles the foot for comfort, with an Ortholite insole for superior cushioning, and an internal fit sleeve to hug your feet just where you need it. The energy save midsole provides comfort over long distances as it won't compress or collapse, and the Contragrip MA sole delivers performance on wet, dry, loose or hard surfaces so you can hit the trail confidently. If you're committed to your craft of ultra-running, the Ultra Pro Shoes from Salomon were made just for you. Stitch-free synthetic upper for a glove-like fit 3D mesh for maximum breathability Quicklace system for easy on and off Ortholite insole for superior cushioning Sensifit technology which cradles the foot for comfort Internal fit sleeve to hug your feet Energy save midsole provides comfort over long distances Contragrip MA sole delivers performance on varied terrain
