Details

Whether you're stretching out in the back of your van, setting up in your tent, or need somewhere for your house guests to sleep - the HexaTherm Queen 3D mattress is the comfy choice. This self-inflating mat features Therma-cell cored foam inside which helps to reduce the overall weight while providing you with cushioning and warmth for a solid sleep. The super stretch fabric provides a nice base to snooze on, while the easy inflate valve makes setting it up a breeze. This mat also conforms to your body shape, so you'll get an exceptional night's sleep out in the field. Stretch out on the HexaTherm Queen 3D mattress from Black Wolf for plush comfort wherever you rest your head.
