

JetBoil
CrunchIt Butane Canister
Recycling Tool

\$14.90

Details

You can safely put your empty gas canister directly into your recycling bin at home, with help from the CrunchIt tool from JetBoil. This tool is made from lightweight and rugged stainless steel and is pocket-sized for convenience. Screw it onto your empty gas canister to vent any residual fuel and puncture Jetboil's Jetpower and other butane fuel canisters for recycling. The JetBoil CrunchIt can even be used to crack open a cold one, so it's an essential tool for safe and convenient recycling of your isobutane fuel canisters. Lightweight and rugged stainless steel Pocket-sized for convenience To only be used on empty fuel canisters Safely vents fuel before puncturing Compatible with most EN 417 butane canisters Can be used as a bottle opener
