## Details

With the perfect balance of size and weight, with dual fridge and freezer capabilities - the CFX3 75DZ is ideal for families on the go. This design has a powerful VM303 compressor cooling technology which efficiently refrigerates and deep freezes down to  $-22^{\circ}\text{C}$  with a superior seal to retain cool air. The heavy-duty yet light ExoFrame construction gives protection in harsh environments, while the strong spring-loaded aluminium handles make carrying easy. Power it by AC, DC or solar and control or monitor it by WiFi/Bluetooth using the free app. Storage-wise, the 75L interior can fit up to 113 cans of drinks and the dual compartments with independent temperature control allow you to cool/freeze at the same time. It's also got an easy to read digital display which shows the temperature and status of your unit and comes with an upgraded USB port for charging your phone. House all your frozen or chilled supplies on your next camping trip without taking up too much space with the CFX3 75DZ from Dometic. 75L storage capacity fits 113 cans Dual compartments with independent temperature control CFX3 app allows you to control temperature via Wifi/Bluetooth Efficient VM303 compressor deep freezes down to  $-22^{\circ}\text{C}$  Heavy-duty yet lightweight ExoFrame Spring-loaded aluminium alloy handles Digital display states the temperature and status USB port for charging mobile devices Powered by AC, DC and solar 3 stage battery protection
