### Details

Compact, functional and with the ability to leave the features you don't need at home - the Guide Lite 28+ SL Pack from Deuter is the ideal gear carrier for shorter adventures. This pack features a slimline fit, with a Lite back system creates a snug, secure fit with shoulder straps that flex with you for better balance. The Delrin U frame transfers your load with minimum weight while the hips fins, hip belt and lid compartment are removable to shave extra weight. The height-adjustable lid lets you adjust your storage and you can stash important items in the inner valuables compartment. Easily carry accessories such as an ice axe on the attachment point, a helmet on the front of the pack, or your sunnies in the sunglass holder. You can also keep hydrated on the go as this pack is compatible with a separately available 3L reservoir system. The lightweight Guide Lite 28+ SL Pack is perfect for carrying medium to light loads on day trips and tours without sacrificing robustness. Slimline design for a better fit Delrin U frame transfers your load with minimum weight Removable ergonomic hips fins, hip belt and lid compartment Lite back system for a secure fit with flexible shoulder straps Compatible with separately available 3.0-litre reservoir Height adjustable lid for expandable storage Inner compartment for valuables Attachment for ice axe Helmet bracket Sunglass holder
