### Details

Nimble and lightweight, the Men's Ultra Fastpack IV Mid Futurelight from The North Face will keep you sprightly on the trail. These hikers have an upper made from abrasion-resistant performance mesh with no-sew TPU overlays and a toe cap for protection. Secure them by the integrated ghillie lacing system and prevent debris from getting into your shoes via the gusseted tongue. To keep you dry when traversing varied terrain, the interior also has a breathable yet waterproof membrane. For comfort, these hikers feature an eco-friendly OrthoLite X35 Hybrid footbed and an energy-returning FastFoam midsole system so that you can cover more distance. Hike fast and light with the waterproof and supportive Men's Ultra Fastpack IV Mid Futurelight Boots from The North Face. Abrasion-resistant mesh upper with no-sew TPU overlays. Protective cap and heel overlay. Breathable-waterproof FUTURELIGHT™ membrane. Integrated ghillie lacing system. Gusseted tongue to keep out debris. Eco-friendly OrthoLite X35 Hybrid footbed. Energy returning FastFoam midsole system. Vibram Megagrip outsole with stairstep lug design. An extra pair of laces are included - black with red fleck.
