

Pro Quip  
22L Wide Mouth Heavy Duty  
Water Jerry Can with Tap

**\$34.90**

### Details

If you're in need of a decent food grade jerry can to store water on your next road trip, the 22L Wide Mouth Heavy Duty Water Jerry Can from Pro Quip will fit the bill. You won't get this one muddled with your back-up fuel jerry can as the label is clearly moulded into the BPA free plastic. It's heavy-duty and UV stabilised so you can keep it in your 4WD while taking on the rough tracks without finding it split and sitting in a puddle the next time you need water. The wide mouth makes for easy refilling and faster pouring, plus there's a tap included underneath the cap for when you want to remove the bung. What's more is the added advantage of an air vent integrated into the cap which when unplugged, allows for no-glug pouring through the tap. Made in Australia so you can be assured it is manufactured to our strict safety standards, the 22L Wide Mouth Heavy Duty Water Jerry Can with Tap from Pro Quip is the versatile water carrier for use when you're on the road. 22 Litre capacity Textured non-slip surface for grip Food grade, BPA Free HDPE plastic Opaque Resin inhibits bacterial growth Australia's No. 1 Water Can
