From **\$62.90**

Available colours:

Crocodile | Desert Khaki

Available sizes:

Small/Medium | Medium/Large | X Large/XX Large

Details

We all love sunshine and the great outdoors, but no one enjoys feeling burnt to a crisp at the end of the day, so it's important to Slip-Slop and Slap on the Shade Hat from Marmot.

This hat will keep your head comfortable and protected with the wide 3" brim and UPF 50 sun rating. The removable chin strap is adjustable, as is the circumference so you can custom the perfect fit for your head and know that your hat will stay put even on windy days. There are laser perforations at the sides for ventilation, and a moisture-wicking sweatband will keep your face dry. Water lovers will appreciate this hat's ability to float, making for easy retrieval if it does fall overboard or into the pool, and integrated within the layers of fabric are discreet magnetic side fastenings for when you wish to change up your look.

Be sun-smart and shelter your head with confidence with the Shade Hat from Marmot.

3" Brim shields sun and keeps hat buoyant
