

Kamp-Rite Oversize Tent Cot

~~\$449.95~~ **\$349.90**

Details

Roomy, wide and easy to set up - shelter yourself on your outdoor adventures with the Oversize Tent Cot from Kamp-Rite. Longer and also wider than the original tent cot, this model also has more headroom thanks to the domed top which creates more interior space. Constructed from heavy-duty nylon with taped seams for protection, this cot also features No-See-Um mesh on the windows and doors for air flow and to keep out insects. The easy to set up powder coated frame provides a stable base to sleep on, while the inbuilt 1cm foam mattress gives you some warmth on chilly nights. This elevated design keeps you off the cold ground, and can be set up with just one person. Access the cot from all four sides, and stash your phone and other essentials in the interior storage pockets. This design also converts into a lounge chair or standard cot making it super versatile. When it's time to head home, pop it back into the heavy-duty bag for storage and transport, and in adverse conditions, the fitted waterproof rain fly guards against the elements. The extra spacious and convenient Oversize Tent Cot from Kamp-Rite is perfect for nights sleeping out under the heavens. Only takes seconds to set up. Longer and wider than original with domed top for more space. Inbuilt 1cm foam mattress - but we recommend an additional second mattress for extra comfort. Entry available from all four sides. Inner pockets to store smaller items. Heavy-duty nylon. No-See-Um mesh on all openings. Taped seams. Easily converts into a lounge chair or cot. Corrosion resistant zippers and superior quality clips and buckles. Rainproof fly and 600D polyester carry bag included.
