

OZtrail
Frame Connector Kit

~~\$36.99~~ **\$24.90**

Details

If you want to expand your pop-up market stall, gather several families together at the caravan park, or add more guests to your special event - the Frame Connector Kit from OZtrail will help you join two or more gazebos together.

You don't have to be a DIY genius to use this kit, as its super simple to use. You just put it around each gazebo leg and screw it on by hand. This kit will suit almost all the gazebos in the OZtrail range and can be used in conjunction with the Gutter System to protect you and your guests from rainy conditions.

For an easy way to secure and expand your outdoor shelter, the OZtrail Frame Connector is a great kit to add to your outdoor gear stash.

4 connectors per kit
Not suitable for Fiesta Compact or Commercial Compact Gazebo with offset 45° legs
Simple hand screws allow attachment in seconds
Suit all OZtrail gazebos in the range except for the Ultramax Aluminium Gazebo
