

Oztent Screen House

~~\$399.95~~ **\$349.90**

Details

Quick pitch and sturdy, the Oztent Screen House erects to provide a roomy shade shelter in seconds.

Made with flexible fibreglass poles terminated in ultra-tough mechanisms, the Oztent Screen House is pitched by simply inverting the walls and putting two flexible upright poles in place to create a sturdy and roomy enclosure with four mesh sides and a single zippered entrance.

With pack up being just as easy as it is to pitch, the Oztent Screen House has a seam-sealed waterproof roof and has optional accessories including a mesh floor saver and sidewalls that attach to the side and rear walls (the front wall cannot be enclosed).
