

## Outdoor Connection Escape 6 Plus Dome Tent

**\$289.90**

### Details

More head space than others, the new Outdoor Connection Escape 6 Plus Dome Tent now features an inner ceiling that extends all the way to the vestibule pole while maintaining all the practical features and durable materials that make Outdoor Connection tents a smart long-term investment.

Durable 100 denier polyester fly fabric is UV-Protek treated for resistance to UV degradation and features a 2000mm water head. No-See-Um mesh is used in all windows and vents, and buddies up against a solid polyester panel on the internal double 'D doors'.

Optimal ventilation is achieved through two entrances, side windows, and Ventraflow panels along the bottom of the fly. Internally, ventilation can be controlled with 'Zip Up' privacy flaps over the Ventraflow panels, while eyelets in the exterior front door enable it to be pegged out as an awning with the included poles.

UV-PROTEK treated fly for high UV resistance  
 Fire retardant treatment  
 Durable polyethylene floor  
 Includes two awning poles  
 Two internal organiser pockets and lantern hook  
 Includes combination lock and zip hooks for security  
 Dual entrances
