Big Man 3D Hooded Sleeping Bag

\$119.90

Details

Roman's Big Man 3D Hooded Sleeping Bag features a three-dimensional design that provides consistent inner sleeping space to avoid cold spots.

Also made with extra-large dimensions, the Big Man Hooded Sleeping Bag is as its name suggests, ideal for people with large frames, or for those who want extra sleeping space. Its hooded design provides more warmth than its hoodless counterpart, yet full-length zippers still enable it to be opened up as a doona.

Finished off with a flannelet lining on the foot area for extra warmth, and a hidden accessory pocket, the Big Man Hooded Sleeping Bag boasts Roman quality and is a steal at the Snowys price.

- 3D design
