

Sea to Summit Ultralight Insulated Sleeping Mat & Pump

From \$149.90

Available sizes:

Regular | Large | X Small | Small

Details

The Sea To Summit Ultralight Insulated Sleeping Mat completely redefines what we perceive as a comfortable and lightweight mat for trekking and hiking.

This lightweight sleeping mat is dot weld constructed to create air-filled cells that function in a similar manner to pocket spring mattresses. Confidently do away with a pump and inflate the mat with your breath, the durable rip-stop fabric is extrusion TPU laminated and has an antimicrobial treatment to resist the growth of mould.

The body-conforming air cells combine with Thermolite® insulation and heat reflective silver coated Exkin® Platinum fabric in a comfortable, compact and lightweight package that may generate fits of jealousy amongst fellow lightweight hikers.

Insulated, air filled mattress
Airstream pumpsack integrated into stuffsack
Multi-function inflate/deflate valve
Individually factory tested
Antimicrobial - OK to inflate with your breath
Includes stuff sack and 3M® repair kit

Specifications

Snowys Code:	6033
Supplier Code:	AMULINSR
