Details

Enjoy a cool or warm bevvie on your daily commute, or on the way to your weekend getaway with the 470ml Stainless King Stainless Steel Vacuum Insulated Flask from Thermos.

The durable stainless-steel exterior is cool to the touch with hot liquids and sweat-proof with cold. This flask features double wall vacuum insulation which maximises temperature retention, keeping your liquids hot for 18 hours and cold for 24 hours. It's got a twist and pour stopper so that you can pour without removing the stopper, and the serving cup is insulated and made from stainless steel for durability. This flask also comes in a range of colours to suit every adventurer.

Sip on your drink at the temperature of your choice for hours on end, with the 470ml Stainless King Stainless Steel Vacuum Insulated Flask from Thermos.
