

MSR
Whisperlite International Multi
Fuel Stove

~~\$229.95~~ **\$177.90**

Details

The MSR Whisperlite International Multi-Fuel Stove has rightfully earned a legendary status in the backpacking stove category, having reliably delivered hot water and food to globetrotters and adventurers for almost 20 years.

With some recent subtle but performance enhancing refinements, more cooking power than ever is generated from shellite, kerosene, or unleaded fuel and because you control the pressure in the fuel canister (sold separately), this powerful flame is delivered no matter what climate or altitude you find yourself in.

Now manufactured with stamped stainless steel legs to save weight, the Whisperlite Stove has a self-cleaning Shaker Jet™ is field maintainable and with some simple and regular maintenance will offer decades of reliable performance in the outdoors.

Burns shellite (white gas), kerosene, and unleaded petrol
Self-cleaning Shaker Jet™
Fits inside most MSR pots
Includes fuel pump, windscreen, heat reflector, parts kit, instructions, stuff sack
Fuel bottle sold separately
