Details

Collapsible and unbreakable, the Sea to Summit X-Bowl folds flat for packing and brings versatility to cooking on the hiking trail.

Constructed with European standard compliant food grade silicone sides securely bonded to a high-temperature food-grade nylon, the X Bowl is both safe and durable.

It's not just a bowl though, measurement increments on the inside, a base that doubles as a chopping board and flexible sides to create a pouring spout, the Sea to Summit X Bowl is a complete hiking utility.
