### Details

The stylish and modern design of the Campfire Stainless Steel Whistling Kettle will brighten up your home, caravan or campsite. This kettle is made from premium 18/8 stainless steel, which is rustproof, and will stand up to high temperatures and constant use when you're on the road. The tri-ply base is made from copper inside stainless steel which is encapsulated to reduce boil time and has a whistling nozzle so you know when it's ready. Storing this kettle is easy as the handle folds up, and it's also cool to the touch so you won't burn your fingers trying to make a cuppa. The Campfire Stainless Steel Whistling Kettles will bring style and colour to your camp or on-the-road kitchen. Rustproof 18/8 stainless steel Whistling Bakelite nozzle Encapsulated base to reduce boiling time Compact folding handle for easier storage Cool to touch Bakelite handle
