Details

Stems take the fun out of drinking wine. Get a bit excited, slap your glass down on the table, and a one-piece glass becomes two. Put the safety of your wine first with Everclear Tritan Stemless White Wine Glasses.

Made from Tritan™ copolyester, these glasses are virtually unbreakable - perhaps don't go driving over them though. Dishwasher-friendly and BPA-free, these glasses have glass-like clarity, so you can enjoy that riesling by taste and sight.

Also available in white wine size, these are red wine glasses you can confidently use around the campfire all night without fear of breakage.
