HyperFlame FyreKnight
Camping Stove

\$189.00

Details

With the latest technology and robust construction, the Coleman HyperFlame FyreKnight camping stove has revolutionised camp cooking with a new burner design and WindBlock pot support that opens up space for larger pots.

The FyreKnight is hot and cooks fast making it perfect for boiling water or cooking over high heat, and it's easy to clean thanks to removable pan supports. The Coleman SwapTop system that enables a combination of cooking surfaces to be used on the stove at the same time. It also has a tough high-performance design with heavy-duty latch and pivoting handle shock absorbing corner bumpers, and independently adjustable flame control with a total output of 24,000 BTU's.

The FyreKnight portable gas stove is made to deliver a reliable cooking solution wherever you set up camp.
