### Details

Camping pots and pans often take up a lot of room in the kit. Well, the high-tech Sea to Summit Collapsible X-Pot 4L won't.

Made with a hard-anodised aluminium base fused to flexible food grade silicone sides, the X-Pot cooks in an efficient and versatile manner. When you're done, the pot collapses down to just 4.5cm in height and leaves space to store two X-Plates, two X-Bowls, and two X-Mugs inside.

Cleverly designed with a clear BPA free lid that incorporates a strainer, a heatproof handle and handy tabs on the side that not only facilitates easy handling of the pot but keeps everything secure in transit.
