Details

For those looking to shave grams off their hiking kit, the Sea to Summit Delta Spoon weighs in at a minute 12g but is equipped with everything a hungry trekker needs to administer a hearty meal after a long day on the trail.

Made with durable glass reinforced BPA free and food grade Nylon 66, its shape works harmoniously with the curves of Delta plates and bowls.

A knife with both serrated and straight edges means you can spread your peanut butter and cut salami with ease. The Delta Spoon is a must-have for lightweight hikers and weekend adventurers alike.

Knife and spoon in one
Shape matches inside curves of Delta plate and bowl
Combination serrated and straight edge knife
Resists odours and stains
Dishwasher safe
