Details

Conventional iceboxes are heavy and take up loads of space when not in use. Soften up this summer with the Coleman 16 Can Soft Cooler Bag, perfect for a long afternoon in the sun.

On the outside, it has a soft shell, adjustable carry strap with shoulder pad, and a front storage pocket for the all-important bottle opener or corkscrew. Inside the bag boasts soft PEVA lining which is food safe, antimicrobial - it resists nasties like odour and mould - and is easy to clean. Silver lined insulation will keep food and drinks cool or warm, depending on the occasion.

The 16 can cooler bag is ideal for a family-load of soft drinks, beer, and water, and is ideal for that Sunday BBQ or visit to the park or beach.
