

Tasco
Focus Free 8x25 Binocular
\$109.90

Details

The Tasco Focus Free 8x25 Binocular are the easy to use and lightweight choice for weight conscious users adventurers.

Bushnell's Focus Free series of binoculars do not require focusing, so everything is in sharp focus as soon as you raise them to your eyes. This means that you won't miss any sporting moments or fleeting animals, and won't have to take your gloves off to use them in the colder months.

Fully coated optics provide superior light transmission through Porro prisms and the black rubber exterior provides shock protection and a positive grip. Quickly focus in on the action when you're out in the field, with some help from the lightweight Focus Free 8x25 Binocular from Tasco.

Focus free operation
