

Elemental Orienteering Map Compass

\$10.90

Details

In a world of GPS, PLB, and Google Maps, it's easy to cast the humble compass aside. But you shouldn't. Having one in your kit and knowing how to use it could just save your life. The Elemental Orienteering Compass is perfect for keeping in your kit 'just in case'.

Durable plastic construction means it can handle the rough and tumble of your backpack. An inbuilt magnifying glass will help with reading those tricky maps or could assist in building a fire in a survival situation.

Features an integrated magnifying glass
Made from durable plastic
