

## Walther Pro Fixed Blade Knife

**\$165.00**

### Details

A good, fixed blade knife is a must for any serious outdoorsperson's kit. Whether it's for slashing your way through the bush, filleting a catch, or serving up that cheese with your wine, the Walther Pro Fixed Blade Knife will undoubtedly come in handy.

German engineered with Sandvik Swedish 12C27 stainless steel blade has great corrosion resistant qualities while being easy to sharpen and holding an edge. A synthetic handle sports a non-slip rubber coating so you can always get a good grip, the fixed blade knife is a great all-rounder from the Walther knife range in Australia.

The Fixed Blade comes with a pouch with a vertical and horizontal belt loop, so you can clip it on in a way that suits your activity, and an aluminium case makes it a superb gift for the Bear Grylls in your life.

12C27 Sandvik steel blade  
Weighs 254 grams  
Grippy, synthetic handle  
10 cm blade  
Includes pouch and aluminium gift case
