

JetBoil
Coffee Press

\$19.90

Details

If mornings on your multi-day expedition aren't the same without a hot cup of coffee, then the good news is that you can pair the Coffee Press with your trusty JetBoil, for a fresh brew on those early morning starts.

This lightweight press includes a rod and sifting basket and is designed to work perfectly with the JetBoil 1L Companion Cup.

A lightweight coffee press to ensure you don't have to leave all the creature comforts of home behind
Includes a rod and sifting basket
Designed specifically for the JetBoil 1 litre Companion Cup
