

SteriPEN
Classic 3 Water Purifier + Pre Filter

~~\$213.95~~ **\$179.90**

Details

For more than 15 years the SteriPEN Classic has used UV lights to make water safe to drink for hundreds of thousands of adventurers all over the world.

Continual refinement of the SteriPEN Classic means the current Classic 3 model, when powered by lithium batteries, now treats up to 150 litres of water, has a 90 second treatment time, and a lamp life of 8000 cycles, that's 8000 litres of water!

Powered by four alkaline, lithium or NiMH batteries, the SteriPEN Classic 3 safely delivers UV light to a glass or bottle of water, reflecting the light throughout the vessel and killing 99.9% of waterborne microorganisms.

Included is the SteriPEN Pre-Filter which removes particulates, the Classic 3 is ideal for wide mouth bottles, and fits securely in water bottle spouts down to 22mm so you can flip the bottle upside down to activate the lamp.

150 1L treatments from one set of Li-Ion batteries
 Treatment time: 48 seconds 0.5L, 90 seconds 1L
 Lamp life: 8000 activations
 22mm minimum bottle mouth diameter
 Includes 40x40 micron Pre-Filter and carry case

Specifications

Snowys Code:	126204
Supplier Code:	XPSPPFMP-EF
In Use Dimensions:	18.6L x 4.3W x 4.3H cm
Packed Dimensions:	26L x 7W x 7H cm
Material:	Plastic/Glass
Effective Against:	Protozoa Bacteria Viruses
Treatment Time:	48 seconds 0.5L 90 seconds 1L
Batteries:	4 x AA Cell Lithium Alkaline or NiMH
Battery Life:	Up to 150 x 1 Litre Treatments
Lamp Life:	8000 Treatments
Weight:	0.082 Kg
Suggested Use:	Travel
Warranty:	3 Year
